WEDDING PACKAGE OVERVIEW

THE GROVE AT CENTERTON offers an updated & refreshed experience at a classic South Jersey event space. THE GROVE celebrates rustic farmhouse design by accenting its natural surroundings with traditional design elements and contemporary cuisine.

COMPLETE PACKAGES STARTING AT \$94+ PER PERSON

The experience begins with a scenic ride through the countryside as the winding road guides you to a break in the woods. A lush, tree-lined pathway illuminated by whimsical lighting transports you to a charming façade nestled beneath a canopy of greenery. An impressive foyer with plush furnishings and a striking fireplace greets you as you cross the threshold, leading to a stylish bridal party suite.

Continue on to the impressive Garden Room with stunning vaulted ceilings for an impressive indoor/outdoor cocktail hour experience. An expansive wall of French doors opens to reveal a beautifully landscaped garden & firepit lounge that casts an enchanting glow. The spacious patio is a private haven and provides the perfect backdrop for an intimate outdoor wedding ceremony for up to 400, cocktail receptions, or portraits.

The grand finale is the expansive ballroom with drop-crystal chandeliers set high above rustic wood floors. Chiavari chairs, neutral-toned floor-length linens, and classic white china evoke a simple yet elegant ambiance with a touch of tradition to accommodate your dream wedding style.
